MK CONSTRUCTION

Foundations Strong, Reaching The Sky

About MK Construction

Since 1985

We have a broad portfolio of successfully completed projects across a range of sectors including Residential, Commercial, Hospitality, Industrial, Healthcare and Educational Budlings. We continue to invest in modern business practices and management techniques in order to ensure that we remain at the cutting edge of our industry.

Mr. Manubhai Patel

Founder

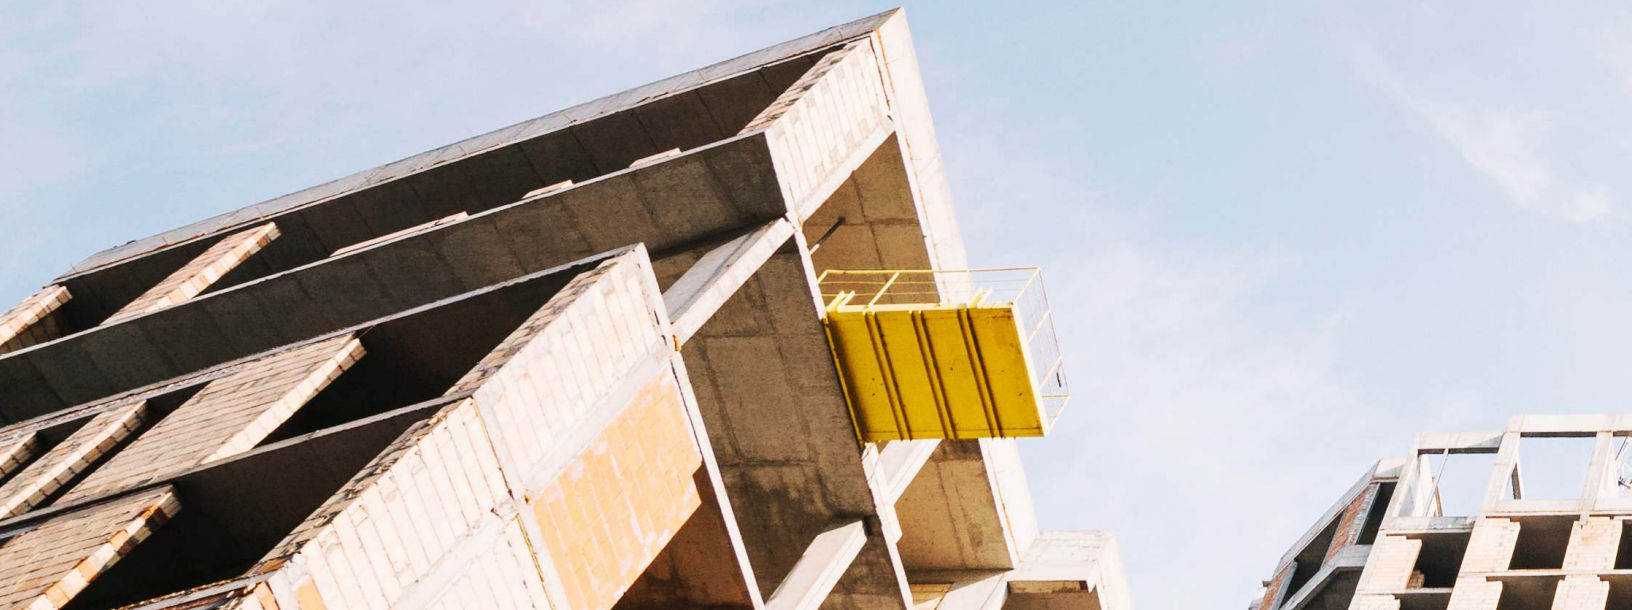

MK Construction established in 1985 by Mr. MANUBHAI K. PATEL as an Engineering & Construction Contractor firm, with an aim of accomplishing world-class standards in real estate property and infrastructure development. The Registered Office is at Ahmedabad controlling various Projects at various locations.

Mr. Jayesh M Patel

Managing Director

The Managing Director whose leadership and positive approach helped a lot in the development of successful buildings built by M K Construction and he brings out an extensive level of experience and diversified skill set to the team. his hands-on approach and experience throughout all stages of the building process has benefited a lot in the company's development and expansion.

MK CONSTRUCTION

The Building Contractor...

OUR VISION

"As Master Builders we serve the needs of the people, and are happy to be a part of building a better India."

A Quality Construction using advance and modern Infrastructure, Technology & Resources to complete projects in time for which we are committed considering safety of our valuable human resources.

MISSION

"To deliver high-quality, cost-effective projects on schedule by employing and supporting motivated, flexible, and focused teams."

Constructing a brighter future.

OUR SERVICES

At MK Construction we are known for excellence in a diverse range of markets. Our extensive experience in each and every realm is driven by the breadth and depth of our qualified teams, all who take pride in doing the best possible job for our clients.

From high-end retail construction to intricate museums and office space, we have the experienced construction teams and techniques to help you meet your goals.
